

# AHSR 2023 Conference Schedule

| Activity   | Location  | Time         |
|--|---|--------------|
| <b>Day One – Wednesday, October 18, 2023</b>   |   |              |
| <b><u>Registration</u></b>   | Verizon 121                                       | 8:00-1:00 PM |
| <p><b><u>Pre-Conference Workshops</u></b><br/>           Addiction Health Services Research at NIH: Workshop for Early Career Investigators<br/> <i>(Tisha Wiley, PhD &amp; Laura Kwako, PhD)</i></p> <p>Using Population Claims Data for Substance Use Policy and Health Services Research<br/> <i>(Yuhua Bao, PhD &amp; Jake Morgan, PhD)</i></p> <p>Optimizing the Adaptation and Personalization of SUD Services: Innovations in Intervention and Experimental Designs<br/> <i>(Inbal Billie Nahum-Shani, PhD, Daniel Almirall, PhD, Susan A. Murphy, PhD, &amp; Linda M. Collins, PhD)</i></p>  | Verizon 215<br><br>Verizon 225<br><br>Verizon 315 | 1:00-2:30 PM |
| <b><u>Break</u></b>  | Verizon Gallery                                   | 2:30-3:00 PM |
| <p><b><u>Pre-Conference Workshops</u></b><br/>           Conducting Medicaid Related Research – Rationale, Priorities, Challenges, and Opportunities<br/> <i>(Maureen Stewart, PhD, Christina Andrews, PhD, Julie Donohue, PhD)</i></p> <p>Navigating the Myriad of Analytic Choices for Policy Evaluation Studies<br/> <i>(Megan Schuler, PhD, MS, Rosanna Smart, PhD, MA, Beth Ann Griffin, PhD, SM)</i></p> <p>Leveraging Implementation Science in Your Research and in Your Career<br/> <i>(Mark McGovern, PhD, MA, Sara Becker, PhD, Cecelia Calhoun, MD, MPHS, MBA, H  l  ne Chokron Garneau, PhD, MPH, &amp; Lori Ducharme, PhD)</i></p> | Verizon 215<br><br>Verizon 225<br><br>Verizon 315 | 3:00-4:30 PM |

| Activity  | Location                   | Time          |
|---|----------------------------|---------------|
| <b>Break</b>  | Gallery Event              | 4:30-5:00 PM  |
| <b>Opening Reception and Poster Session One</b><br>Complete list of poster presentations for this session can be found on pages 15-18.  | Verizon 121                | 5:00-6:00 PM  |
| <b>Day Two – Thursday, October 19, 2023</b>   |                            |               |
| <b>Breakfast / Welcome</b> <ul style="list-style-type: none"> <li>Early Career Award Announcement at 7:30 AM</li> </ul>   | Main Lobby & Gallery Event | 7:00-8:00 AM  |
| <b>Poster Set-Up</b>  | Main Lobby & Gallery Event | 7:00-10:45 AM |
| <b>Plenary One</b><br>Title: Pending<br>Speaker: Tanzeem Choudhury, PhD<br>Affiliation: Cornell University  | Verizon 121                | 8:00-9:00 AM  |
| <b>Break</b>  | Gallery Event              | 9:00-9:15 AM  |
| <b>Scientific Break-Out Session</b><br>Symposium 1 - Economic Analyses Within the HEAL Prevention Cooperative: Implementation Costs and Financing Considerations <ul style="list-style-type: none"> <li>Investing in Interventions to Prevent Opioid Use Disorder in Adolescents and Young Adults: Start-Up Costs From NIDA’s HEAL Prevention Initiative (<i>Margaret R. Kuklinski, PhD, MA</i>)</li> <li>Start-Up and Implementation Costs for the Trust Based Relational Intervention: Findings From NIDA’s HEAL Prevention Initiative (<i>Diana Bowser, ScD, MPH</i>)</li> <li>Financing Substance Use Prevention in the United States in Healthcare, Justice, and Educational Settings (<i>Don Ekanayake, MS</i>)</li> <li>Police Assisted Diversion in Albany, NY: A Qualitative Evaluation of Facilitators and Barriers to Program Success (<i>Adam Vose-O’Neil, MA, LICSW, PhD candidate</i>)</li> </ul> | Verizon 215                | 9:15-10:30 AM |

| Activity   | Location    | Time          |
|--|-------------|---------------|
| <p>Symposium 2 - Data-Driven Decision Making for Intervention Selection and Monitoring to Prevent Opioid Overdose Deaths, the HEALing Communities Study Case</p> <ul style="list-style-type: none"> <li>• Data-Driven Decision Making to Prevent Opioid Overdose Deaths: Steps to Access, Visualize, and Engage Coalitions With Data to Inform Intervention Selection (<i>Peter Balvanz, MPH</i>)</li> <li>• Engaging Community-Based Organizations and Community Coalition Members in Process Evaluation With Web-based Monitoring Reports (<i>Sarah Kosakowski</i>)</li> <li>• Engaging an Urban Massachusetts Community in Data Walks to Understand Service Gaps and Opportunities to Prevent Opioid Overdose Deaths (<i>Jane Carpenter</i>)</li> <li>• Engaging People With Lived Opioid Use Experience From Rural Massachusetts in Photovoice to Understand Factors Fueling the Local Opioid Epidemic (<i>Carolyn Damato-MacPherson</i>)</li> </ul> | Verizon 225 | 9:15-10:30 AM |
| <p>Symposium 3 - Mobile Health (mHealth) Interventions for Alcohol Use Disorder</p> <ul style="list-style-type: none"> <li>• Adapting an mHealth Intervention for Alcohol Use Disorder Based on Stakeholder Feedback (<i>Qiang Xie, MEd</i>)</li> <li>• A Mixed Methods Usability Test of a Digital Health App for Patients With Alcohol-Associated Liver Disease: Results of a Pilot Study (<i>Linda S. Park, PhD</i>)</li> <li>• A Cost-Effectiveness Analysis of Telemedicine and Mobile Health Interventions to Support Continuing Care for Patients Receiving Treatment for Alcohol Use Disorder (<i>Xiang Li, MS</i>)</li> <li>• Does Human Touch Improve an mHealth System for Alcohol-Related Harm-Reduction for Mild to Moderate Alcohol Use Disorder?: Study Design and Preliminary Results of a Three-Arm Randomized Clinical Trial (<i>Ming-Yuan Chih, PhD</i>)</li> </ul>   | Verizon 315 | 9:15-10:30 AM |
| <p>Symposium 4 - Implementing Collaborative Care for Co-Occurring Disorders: Implementation Outcomes From Four Clinical Trials</p> <ul style="list-style-type: none"> <li>• The CLARO Clinical Trial: Implementing Collaborative Care for Opioid Use Disorders With Co-Occurring Depression and/or PTSD in Low-Resource Settings (<i>Katherine E. Watkins, MD, MSHS</i>)</li> <li>• The MICARE Study: Implementation Strategies, Opportunities, and Unique Challenges of an Encouragement Trial Approach (<i>Lynn L DeBar, PhD, MPH</i>)</li> <li>• The Whole Health Study: Strategies for Implementation and Sustainment Success (<i>David Mandell, ScD</i>)</li> <li>• Factors Affecting Implementation and Prescribing Medications for Opioid Use Disorder: A Community-based Systems Analysis (<i>Tianna Herman, MSPH</i>)</li> </ul>  | Verizon 121 | 9:15-10:30 AM |

| Activity  | Location   | Time           |
|---|--|----------------|
| <p>Symposium 7 – Medications for Opioid Use Disorders in Problem-Solving Courts: Using Implementation Science to Improve Access to Treatment</p> <ul style="list-style-type: none"> <li>• Factors Involved in Problem-Solving Court Decisions to Allow Medications for Opioid Use Disorder (<i>Barbara Andraka-Christou, JD, PhD</i>)</li> <li>• Barriers and Facilitators to Collaboration between MOUD Agencies and Drug Courts: Findings From Qualitative Interviews With MOUD Providers (<i>Ekaterina Pivovarova, PhD</i>)</li> <li>• Having a Steady Supply of Providers Increases Drug Court Utilization of MOUD (<i>Lindsay Smith, MA</i>)</li> <li>• Diffusion of Medications for Opioid Use Disorder Treatment in Jail Settings: A Convergent Mixed Methods Study of Jail Staff Perspectives (<i>Pryce S. Michener, MD/PhD Candidate</i>)</li> </ul> | Verizon 315  | 10:45-12:00 PM |
| <p>Symposium 8 - Advances in Using the Global Appraisal of Individual Needs (GAIN) to Improve Measurement-Based Practices</p> <ul style="list-style-type: none"> <li>• Utility of the Global Appraisal of Individual Needs Quick Version 4 for Diagnosing Substance Use Disorders in Adolescents (<i>Rebecca M Durham, MD candidate</i>)</li> <li>• The Reliability of the Global Appraisal of Individual Needs Quick Version 4 (GAIN-Q4) in ASAM Dimensions and Level of Care Placement (<i>Siara I Sitar</i>)</li> <li>• Screen4Success.org: A Dynamic Website for Providers to Screen Individuals for Substance Use, Health and Wellness and Refer to Relevant Resources (<i>Barbara D. Estrada, MS</i>)</li> <li>• Estimating Policy Effects Using Lagged Outcome Values to Impute Counterfactuals (<i>Beth Ann Griffin, PhD</i>)</li> </ul>              | Verizon 121  | 10:45-12:00 PM |
| <p><b><u>Lunch and Poster Session Two</u></b><br/> Complete list of poster presentations for this session can be found on pages 19-22.</p>  | Gallery Event<br>(2 <sup>nd</sup> & 3 <sup>rd</sup> floor) | 12:00-1:45 PM  |

| Activity   | Location    | Time         |
|--|-------------|--------------|
| <p><b>Scientific Break-Out Session</b></p> <p>Symposium 9 - Maximizing Medicaid's Potential to Improve Access to Substance Use Disorder Treatment</p> <ul style="list-style-type: none"> <li>• Substance Use Disorder Treatment Regulatory Policy in State Contractual Agreements With Medicaid Managed Care Plans (<i>Rebecca Morris, MPP</i>)</li> <li>• State Coverage and Oversight Policies for Substance Use Disorder Treatment in Medicaid Managed Care (<i>Lauren Peterson, MPH, MA</i>)</li> <li>• Trends in State Medicaid FFS Benefits for Substance Use Treatment During the Opioid Crisis (<i>Amanda J. Abraham, PhD</i>)</li> <li>• Prior Authorization for Buprenorphine: The Role of Profit Status and Partisanship in Medicaid Managed Care (<i>Christina Andrews, PhD</i>)</li> </ul>  | Verizon 215 | 2:00-3:15 PM |
| <p>Symposium 10 – Medications to Treat Opioid Use Disorder in Jail: Qualitative Findings on Implementation From the Massachusetts Justice Community Opioid Innovation Network (MassJCOIN)</p> <ul style="list-style-type: none"> <li>• Top Leadership Perspectives and Experiences With Jail-Based MOUD treatment: Preliminary Qualitative Findings From County Sheriffs (<i>Claudia Santelices, PhD</i>)</li> <li>• Diversion of Medications to Treat Opioid Use Disorder: Reports From Formerly Incarcerated Adults in Massachusetts (<i>Elizabeth A. Evans, PhD, MA</i>)</li> <li>• Patient Perspectives of Jail-Based MOUD Treatment: Views of Individuals Who Have Returned to Community Following Incarceration (<i>Warren J. Ferguson, MD</i>)</li> <li>• Medications for Opioid Use Disorder (MOUD) Community Providers' Perspectives on Their Collaborations With Jails: A Qualitative Analysis (<i>Bianca Y. Planas-García</i>)</li> <li>• Extended-Release Buprenorphine: Qualitative Perceptions Among People Who Received Medication for Opioid Use Disorder in Jail (<i>Thomas J. Stopka, PhD, MHS</i>)</li> </ul> | Verizon 225 | 2:00-3:15 PM |

| Activity   | Location      | Time         |
|--|---------------|--------------|
| <p>Oral Presentation 3 – COVID-19</p> <ul style="list-style-type: none"> <li>• Pediatric Opioid-Related Poisonings Before and During COVID-19 (<i>Shelby R. Steuart, PhD</i>)</li> <li>• "Would I Have Done That Without a Pandemic? Probably not": Perspectives of People Who Use Opioids and Prescribers on a Rapidly Developed Guidance Document for Prescribing Opioid Agonist Therapy in Ontario During the COVID-19 Pandemic (<i>Samantha Young, MD</i>)</li> <li>• What Can We Learn From COVID-19 to Improve Opioid Treatment? Expert Providers Respond (<i>Lesley Harris, MSW, PhD</i>)</li> <li>• Implementing Screening, Brief Intervention, and Referral to Treatment (SBIRT) for Risky Drug Use in FQHC Primary Care Clinics in the COVID-19 Era: The QUIT-Mobile Study (<i>Lillian Gelberg, MD, MSPH</i>)</li> </ul>           | Verizon 225   | 3:30-4:45 PM |
| <p>Oral Presentation 4 – Costing</p> <ul style="list-style-type: none"> <li>• Micro-Costing the Implementation Facilitation to Promote Emergency Department-Initiated Buprenorphine With Referral for Opioid Use Disorder (<i>Danielle Ryan, MPH</i>)</li> <li>• Micro-Costing of CTN-0100: Optimizing Retention, Duration and Discontinuation Strategies for Opioid Use Disorder Pharmacotherapy (<i>Tyler Judge, MD candidate</i>)</li> <li>• Considerations and Strategies to Estimate the Total Costs of Implementing Medications for Opioid Use Disorder: A Pragmatic Micro-Costing Approach (<i>Hannah Cheng, MS</i>)</li> <li>• Implementation of the 988 Crisis Lifeline at the State-Level: Estimating Costs of Increased Call Demand at Lifeline Centers and Quantifying State Financing (<i>Jonathan Purtle, DrPH</i>)</li> </ul> | Verizon 315   | 3:30-4:45 PM |
| <p>Oral Presentation 5 – Social Support</p> <ul style="list-style-type: none"> <li>• Peer Recovery Specialist-Delivered Behavioral Activation Intervention Shifting Substance Use Stigma (<i>Mary B. Kleinman, MS, MPH</i>)</li> <li>• A Mixed-Methods Analysis of Community Factors Influencing Acceptance of Medication for Opioid Use Disorder Services (<i>Samuel Jaros</i>)</li> <li>• Does Family Support Matter? The Impact of Support Person Attitudes Toward MOUD on Patient Perceptions of Support (<i>Jasmin Choi, MSW, MPH</i>)</li> <li>• How Conflict, Cohesion, and Social Support Affect Patients in Buprenorphine Treatment and their Families (<i>Lauren Lucitt, MS</i>)</li> </ul>  | Verizon 121   | 3:30-4:45 PM |
| <b>Break</b>   | Gallery Event | 4:45-5:00 PM |

| Activity   | Location                   | Time          |
|--|----------------------------|---------------|
| <p><b>Plenary Two</b><br/>           Title: Leveraging Data to Understand and Guide Addiction Services Across New York State<br/>           Speaker: Chinazo Cunningham, MD, MS<br/>           Affiliation: Albert Einstein College of Medicine</p>  | Verizon 121                | 5:00-6:00 PM  |
| <b>Day Three – Friday, October 20, 2023</b>  |                            |               |
| <b>Breakfast</b>   | Main Lobby & Gallery Event | 7:00-8:00 AM  |
| <p><b>Plenary Three</b><br/>           Title: NIH Priorities for Addiction Health Services Research<br/>           Speakers: Laura Kwako, PhD and Carlos Blanco, MD, PhD, MS<br/>           Affiliation: NIH and NIDA</p>  | Verizon 121                | 8:00-9:00 AM  |
| <b>Break</b>   | Gallery Event              | 9:00-9:15 AM  |
| <p><b>Scientific Break-Out Session</b><br/>           Oral Presentation 6 – Adolescent and Young Adults</p> <ul style="list-style-type: none"> <li>• Prolonged Exposure and Contingency Management for Posttraumatic Stress and Substance Use Disorders in Emerging Adults: Results of a Pilot Trial (<i>Kristyn Zajac, PhD</i>)</li> <li>• Disseminating Contingency Management for Adults and Adolescents With Substance Use Disorders Across Indiana (<i>Michael Smoker, PhD</i>)</li> <li>• Characteristics Associated With Impaired Driving and Risky Passenger Behaviors Among Adolescents in Driver Education (<i>Steven Tran, MS</i>)</li> <li>• Clinician Perspectives on Barriers and Facilitators to Providing Medications for Opioid Use Disorder for Adolescents in Indiana: A Qualitative Study (<i>Jayla French</i>)</li> </ul> | Verizon 215                | 9:15-10:30 AM |

| Activity   | Location    | Time          |
|--|-------------|---------------|
| <p>Oral Presentation 7 – Policy</p> <ul style="list-style-type: none"> <li>• Impact of State Mandates of Naloxone Coprescription on Naloxone Prescription Dispensing in the United States (<i>Huiru Dong, PhD</i>)</li> <li>• ROMPER: The RAND/USC OPTIC Method for Policy Expert Ratings (<i>Sean Grant, DPhil</i>)</li> <li>• A Tale of Two Taxes: Comparing Perceptions of the Implementation of Policies Earmarking Taxes for Behavioral Health Services in California and Washington (<i>Jonathan Purtle, DrPH</i>)</li> <li>• Oregon Decriminalizes Drugs: Lessons From Local Implementation (<i>Danielle Good, PhD</i>)</li> </ul>  | Verizon 225 | 9:15-10:30 AM |
| <p>Oral Presentation 8 – Methods/Modeling</p> <ul style="list-style-type: none"> <li>• Using System Dynamics Modeling to Study Temporal Trends in Opioid Overdose Response and Linkage to Medication for Opioid Use Disorder in Connecticut (<i>Rebekah Heckmann, MD, MPH, MPA</i>)</li> <li>• Using Dynamic Modeling to Simulate and Evaluate Evidence-Based Practices for Reducing Opioid Morbidity and Mortality Among Counties in New York State (<i>Nasim S. Sabounchi, PhD</i>)</li> <li>• An Agent-based Model of Opioid Use Disorder and the Impact of Intervention Strategies (<i>Praveen Kumar, PhD</i>)</li> <li>• Addressing Electronic Health Records (EHR) Discontinuity in Substance Use Disorder Research: The Synthetic Shrinkage Estimation (SSE) Approach (<i>Ali Jalali, PhD</i>)</li> </ul> | Verizon 315 | 9:15-10:30 AM |
| <p>Oral Presentation 9 – MOUD</p> <ul style="list-style-type: none"> <li>• Leveraging Data Linkages to Investigate Health Insurance Instability and Mortality Among Patients Receiving Medications for Opioid Use Disorder (<i>Anh P. Nguyen</i>)</li> <li>• Medication for Opioid Use Disorder and Risk of Overdose in the Year After Delivery (<i>Marian Jarlenski, PhD, MPH</i>)</li> <li>• Retention and Critical Outcomes Among New Methadone Maintenance Patients Following Extended Take-Home Reforms (<i>Arthur Robin Williams, MD, MBE</i>)</li> <li>• Organizational MOUD Adoption Lower Among Organizations Who Link Out to External Providers (<i>Rebecca E. Stewart, PhD</i>)</li> </ul>  | Verizon 121 | 9:15-10:30 AM |

| Activity  | Location      | Time           |
|---|---------------|----------------|
| <p>Oral Presentation 10 – Health Equity/Disparities</p> <ul style="list-style-type: none"> <li>Racial Disparities in Buprenorphine Treatment for Opioid Use Disorder Across VA Healthcare System (<i>Natalia Van Doren, MS</i>)</li> <li>The IMAT-PC-E: A Practical Measure of Health Equity in Addiction Medication Practice in Primary Care (<i>Hannah Cheng, MS</i>)</li> <li>The Role of Mandated Treatment on Expectant Mothers: A Propensity Score Approach (<i>Khadija Israel, LMSW</i>)</li> <li>Testing the Incremental Effectiveness of Pay-for-Performance to Improve Implementation of a Motivational Interviewing Brief Intervention for Substance Use Disorders in HIV Settings: Results of a Cluster-Randomized Type 3 Hybrid Trial (<i>Bryan R. Garner, PhD</i>)</li> </ul> | TATA 131      | 9:15-10:30 AM  |
| <p>Oral Presentation 11 – Alcohol-Use</p> <ul style="list-style-type: none"> <li>Latino-White Disparities in Screening and Receipt of Medications for Unhealthy Alcohol Use in the OCHIN Network of Community Health Clinics (<i>Brian Chan, MD</i>)</li> <li>Reducing Alcohol Use Among Emerging Adults Experiencing Homelessness: 24-Month Outcomes From a Cluster Cross-Over Randomized Controlled Trial of AWARE (<i>Joan S. Tucker, PhD</i>)</li> <li>Spatial Associations Between Alcohol Detection in Opioid-Involved Overdose Deaths and Alcohol Outlets (<i>Adam Viera, PhD, MPH</i>)</li> <li>Emerging Adult Preferences for Receiving Brief Alcohol Interventions (<i>Jacob Tempchin, MS</i>)</li> </ul>   | TATA 141      | 9:15-10:30 AM  |
| <p>Oral Presentation 12 – Social Perceptions/Stigma</p> <ul style="list-style-type: none"> <li>A Multidimensional, Socio-Ecological View of Access to Medications for Opioid Use Disorder: Associations of Access Among Persons Who Inject Drugs and the Rural Risk Environment (<i>Marynia Kolak, PhD</i>)</li> <li>"I Would Do Anything But That": Attitudes Towards Sex Work Among Rural People Who Use Drugs (<i>Alex Rains</i>)</li> <li>Siyakhana: A Stepped-Wedge Trial to Reduce Stigma Towards Substance Use Among Community Health Workers in TB/HIV Care in South Africa (<i>Kristen S. Regenauer, MS</i>)</li> <li>Using Social Norms to Decrease Post-Surgical Opioid Prescribing: A Cluster Randomized Trial (<i>Katherine E. Watkins, MD, MSHS</i>)</li> </ul>               | TATA 151      | 9:15-10:30 AM  |
| <b>Break</b>  | Gallery Event | 10:30-10:45 AM |

| Activity   | Location    | Time           |
|--|-------------|----------------|
| <p><b>Scientific Break-Out Session</b></p> <p>Oral Presentation 13 – Medicare</p> <ul style="list-style-type: none"> <li>• Early Experiences With Medicare's Reimbursement for Opioid Treatment Program Care, 2020-2022 (<i>Ateev Mehrotra, MD</i>)</li> <li>• Introduction of Medicare Coverage in Opioid Treatment Programs: Findings From the First Year (<i>Amanda J. Abraham, PhD</i>)</li> <li>• Prevalence and Association of Opioid Use Disorder Diagnosis With Nonpharmacologic, Nonopioid, and Opioid Pain Treatment Receipt Among Medicare Beneficiaries With Acute Low Back Pain (<i>Patience Moyo, PhD</i>)</li> <li>• Buprenorphine After Non-Fatal Opioid Overdose: Reduced Mortality Risk in Medicare Disability Beneficiaries (<i>Hillary Samples, PhD, MHS</i>)</li> </ul>   | Verizon 215 | 10:45-12:00 PM |
| <p>Oral Presentation 14 – Medicaid</p> <ul style="list-style-type: none"> <li>• Use of Medicaid-Covered Peer Support Services in 2019 by Enrollees Diagnosed With Opioid Use Disorder Across 28 U.S. States (<i>Yuhua Bao, PhD</i>)</li> <li>• Association of Emergency Department Buprenorphine Receipt With Subsequent Treatment and Outcomes Among New Jersey Medicaid Beneficiaries (<i>Peter Treitler, PhD</i>)</li> <li>• Emergency Department-Based Peer Support for Opioid Overdose Survivors: Association of Program Participation With Drug Treatment Initiation and Outcomes (<i>Peter Treitler, PhD</i>)</li> <li>• Pilot Study of Screening, Treatment, and Referral for Substance Use Disorder in Medicaid Health Homes (<i>Olivia M. Hinds</i>)</li> </ul>  | Verizon 225 | 10:45-12:00 PM |
| <p>Oral Presentation 15 – MOUD</p> <ul style="list-style-type: none"> <li>• Facilitators and Barriers to the Rapid Induction Procedure for Injectable Naltrexone in a Large, Multisite Inpatient Trial (<i>Kenzie Potter</i>)</li> <li>• Participant Reported Outcomes in Digitally-Provided Buprenorphine Treatment for Opioid Use Disorder Compared With Treatment as Usual Office-Based Treatment: An Observational Longitudinal Cohort Study (<i>Brian Chan, MD, MPH</i>)</li> <li>• Utilization of Medication for Opioid Use Disorder for Hospitalized Patients at 6 New York City Public Hospitals With an Addiction Consult Service (<i>Yasna Rostam-Abadi, MD, MPH</i>)</li> <li>• Barriers to Substance Use Disorder Treatment for Emergency Department Patients During COVID-19 (<i>Anjalee Sharma, PhD, MSW</i>)</li> </ul> | Verizon 315 | 10:45-12:00 PM |

| Activity   | Location    | Time           |
|--|-------------|----------------|
| <p>Oral Presentation 16 – Health Equity/Disparities</p> <ul style="list-style-type: none"> <li>Racial Disparities in the Implementation of the California Hub and Spoke System (<i>Diane Hilderbrand</i>)</li> <li>Racial and Ethnic Disparities in the Receipt of Medications for Opioid Use Disorder Following Emergency Department Visits for Opioid Overdose in the Medicaid Population (<i>Thuy Nguyen, PhD</i>)</li> <li>The Impact of CDC's Opioid Prescribing Guideline on Racial Disparities in Discontinuation of Opioid Treatment in the United States (<i>Huiru Dong, PhD</i>)</li> <li>Disparities in Medication Initiation Among Females of Reproductive Age in Massachusetts With Opioid Use Disorder (<i>Rachel L. Epstein, MD, MSc</i>)</li> </ul>                | Verizon 121 | 10:45-12:00 PM |
| <p>Oral Presentation 17 – Medical Providers</p> <ul style="list-style-type: none"> <li>Examining Barriers to Buprenorphine Treatment for OUD: X-Waiver Elimination and Increasing Support and Education for Providers (<i>Rebecca C. Bilden, MS</i>)</li> <li>Relaxing Buprenorphine X-Waiver Training Requirements Did Not Generally Increase Prescribers or Patients Receiving Treatment: Evidence From the Healing Communities Study (<i>Paul J Christine, MD, PhD</i>)</li> <li>R3 Supervisor Strategy in Substance Use Disorder Treatment Settings: A Qualitative Formative Evaluation of Provider Perceptions in Arkansas (<i>Jure Baloh, PhD, MHA</i>)</li> <li>Factors Associated With High Volume Buprenorphine Prescribers (<i>Bradley D. Stein, MD, PhD</i>)</li> </ul> | TATA 131    | 10:45-12:00 PM |
| <p>Oral Presentation 18 – State-Specific</p> <ul style="list-style-type: none"> <li>Receipt of Addiction Treatment After Non-Fatal Overdose and Risk of Subsequent Overdose: A Statewide Retrospective Cohort Study (<i>Benjamin A Howell, MD</i>)</li> <li>Statewide Efforts to Address the Drug Overdose Crisis: Results from A Survey of Single State Agencies (<i>Miguel Antonio Estrada, MA</i>)</li> <li>A Spatiotemporal Analysis of the Association Between Residential Eviction and Fatal Overdose in Rhode Island (<i>Alexandra Skinner, MPH, PhD candidate</i>)</li> <li>Examining Changes in Program-Level Substance Use Disorder Treatment Outcomes in New York State (<i>Shazia Hussain</i>)</li> </ul>  | TATA 141    | 10:45-12:00 PM |

| Activity   | Location                     | Time           |
|--|------------------------------|----------------|
| <p>Oral Presentation 19 – Harm Reduction</p> <ul style="list-style-type: none"> <li>• Is There Fentanyl in the Stimulant Supply? Spatiotemporal Evidence From U.S. mortality Data (<i>Tse Yang Lim, PhD</i>)</li> <li>• Knowledge is Power: Evaluating Community Drug Checking Services as a Tool to Combat British Columbia's Toxic Drug Crisis (<i>Kelvin Wu</i>)</li> <li>• Economic Evaluations of Establishing Opioid Overdose Prevention Centers in 12 North American Cities: A Systematic Review (<i>Czarina N. Behrends, PhD, MPH</i>)</li> <li>• Take-Home Naloxone for Prescription Opioid Patients: A Data-Driven Cost Effectiveness Analysis (<i>W. Alton Russell, PhD</i>)</li> </ul> | TATA 151                     | 10:45-12:00 PM |
| <b>Poster Setup</b>  | Verizon 121                  | 12:00-1:00 PM  |
| <b>Lunch</b>   | Gallery<br>(outside seating) | 12:30-1:00 PM  |
| <p><b>Poster Session Three</b></p> <p><i>Complete list of poster presentations for this session can be found on pages 23-25.</i></p>   | Verizon 121                  | 1:00-2:15 PM   |
| <b>Conclusion of Conference</b>  |                              | 2:15-3:00 PM   |

# AHSR 2023 Poster Session One

## Day One – Wednesday, October 18, 2023 (5:00-6:00 PM)

| #  | Presenting Author                 | Affiliation  | Poster Title  |
|----|-----------------------------------|--|---|
| 1  | Melissa N. Poulsen, PhD, MPH      | Department of Population Health Sciences, Geisinger  | Geographic Variation in Healthcare System Services, Comorbidities, Opioid Use, and Treatment Among Individuals With Opioid Use Disorder   |
| 2  | Jemima A. Frimpong, PhD           | New York University Abu Dhabi  | Treatment Retention and Completion: An Examination of Predictors by Program Type  |
| 3  | Erick G. Guerrero, PhD            | Research to End Health Disparities Corp, I-Lead Institute  | Testing the Role of Medicaid Expansion on Women's Opioid Treatment Access and Engagement considering Organizational Capacity  |
| 4  | Martha Tillson, PhD               | University of Kentucky Center on Drug & Alcohol Research   | Differences in Social Network Composition and Function Among Incarcerated Women With OUD by Participation in Jail-Based Substance Use Treatment   |
| 5  | Christine Miranda-Diaz, PhD, MPHE | Universidad Central del Caribe   | Culturally Responsive Training to Practitioners: Reducing Mental Health Disparities Among Hispanic and Latinos  |

# AHSR 2023 Poster Session Two

## Day Two – Thursday, October 19, 2023 (12:00-1:45 PM)

| #  | Presenting Author          | Affiliation   | Poster Title  |
|----|----------------------------|---|---|
| 1  | Nina Mulia, DrPH           | Alcohol Research Group, Public Health Institute   | Alcohol Treatment Utilization Patterns: Latent Class Analysis of Service Settings With Variation by Race and Ethnicity  |
| 2  | Carrie Pettus, PhD, MSW    | Wellbeing & Equity Innovations  | Growing Capacity: Mentoring for Translation and Dissemination   |
| 3  | Braeden Kelly, MPH         | Addiction Policy Forum  | Stakeholder Engagement and Tailored Dissemination: Increasing Impact Through Meaningful Communication   |
| 4  | Amy Murphy, MPP            | George Mason University Star School of Public Policy  | Website Presentations That Glow: Engaging the Audience  |
| 5  | Erika L. Crable, PhD, MPH  | University of California, San Diego   | Leadership and Organizational Change for Implementation-Systems Level (LOCI-SL) to Prepare for Systemwide Sustainment of Evidence-Based Substance Use Treatment |
| 6  | Miranda Greiner, MD, MPH   | Department of Psychiatry, Columbia University Irving Medical Center, and New York State Psychiatric Institute | Fentanyl and Buprenorphine Induction: Data From the CTN-0097/SWIFT Trial  |
| 7  | Gabriela M. Rodríguez, PhD | Department of Psychiatry, Indiana University School of Medicine   | Leveraging Administrative Data to Characterize Pathways to Behavioral Health Services for Youth Involved in the Juvenile Justice System in Rural Indiana        |
| 8  | Erin E. Bonar, PhD         | Department of Psychiatry, University of Michigan  | Identifying, Reaching, and Engaging Primary Care Patients in Need of Alcohol Use Disorder Treatment: Early Data From a Remote Randomized Controlled Trial       |
| 9  | Kimberly Johnson, PhD      | Department of Mental Health Law & Policy, University of South Florida   | Simulation Modeling as a Community Level Decision Support Tool  |
| 10 | Joseph E. Glass, PhD, MSW  | Kaiser Permanente Washington Health Research Institute  | An Effectiveness-Implementation Trial of a Care Navigation Intervention to Increase Initiation of Substance Use Disorder Treatment                              |
| 11 | James H. Ford II, PhD      | Social and Administrative Sciences Division, School of Pharmacy, University of Wisconsin-Madison              | A Comparative Implementation Trial: Stagewise Implementation-to-Target Medications for Addiction Treatment (SITT-MAT)   |
| 12 | James H. Ford II, PhD      | Social and Administrative Sciences Division, School of Pharmacy, University of Wisconsin-Madison              | “Is this what we signed up for?” Organizational Participant Expectations For and Experiences After Joining an Implementation Study                              |
| 13 | Steven Belenko, PhD        | Department of Criminal Justice, Temple University   | Areas of Greatest Need and Prioritization Along the Substance Use Service Cascade: Goal Identification in Criminal Legal-Provider Systems                       |
| 14 | Aryn Z. Phillips, PhD, MPH | Department of Health Policy and Management, University of Maryland School of Public Health                    | Patterns of Health Care Interactions of Individuals With Alcohol Use Disorder: A Latent Class Analysis  |

|    |                                 |   |  |
|----|---------------------------------|---|--|
| 15 | Aryn Z. Phillips, PhD, MPH      | Department of Health Policy and Management, University of Maryland School of Public Health                                  | Decoupling of Screening & Referral to Treatment of Substance Use Disorders by U.S. Hospitals   |
| 16 | Jennifer McNeely, MD, MS        | Department of Population Health, NYU Grossman School of Medicine  | Implementing EHR-Integrated Screening for Substance Use in Primary care: Approaches That Can Increase Feasibility and Effectiveness                                    |
| 17 | Siara I Sitar                   | Department of Psychiatry and Behavioral Sciences, Emory University School of Medicine                                       | Substance Use Severity as a Predictor for Receiving Medication for Opioid Use Disorder Among Adolescents: An Analysis of the 2019 TEDS                                 |
| 18 | Patricia Lincourt               | New York Office of Addiction Services and Supports  | Early Implementation of an Electronic Measurement-Based Care Tool for Substance Use Disorder Treatment: Lessons From the eTPA8   |
| 19 | Katherine S. Elkington, PhD     | Columbia University and the New York State Psychiatric Institute  | Mixed-Methods Analysis of Shared and Differing Beliefs Related to Medications for Opioid Use Disorder Among Opioid Court Stakeholders: Moving Beyond Stigma            |
| 20 | Jill Viglione, PhD              | Department of Criminal Justice, University of Central Florida   | Examination of the Stepping Up Initiative: Implementation Mechanisms and Outcomes to Improve Behavioral Health Services for Justice-Involved Individuals               |
| 21 | Gerald Cochran, MSW, PhD        | Department of Internal Medicine, University of Utah   | Adaptation and Implementation of a Community Pharmacy-Based Prescription Drug Monitoring Program Opioid Risk Assessment Tool (PharmTool, CTN-0138)                     |
| 22 | Tennisha N. Riley, PhD          | Department of Counseling and Educational Psychology, Indiana University   | Investigating Cultural Competence Among Youth Substance Use Treatment Providers  |

# AHSR 2023 Poster Session Three

## Day Three – Friday, October 20, 2023 (1:00-2:15 PM)

| #  | Presenting Author           | Affiliation  | Poster Title  |
|----|-----------------------------|--|---|
| 1  | Casey R. Tak, PhD, MPH      | Department of Pharmacotherapy, University of Utah College of Pharmacy                                    | Evaluation of a Comprehensive Perinatal Substance Use Treatment Program: Impact on Access to and Satisfaction With Care Services                                    |
| 2  | Emily Townsend Vinson, MPH  | Department of Health Promotion and Behavior, College of Public Health, University of Georgia             | So What Does Contribute to Alcohol Relapse? The Patient's Perspective on the Dynamic Model of Relapse's constructs  |
| 3  | Haidong Lu, PhD             | Department of Epidemiology of Microbial Diseases, Yale School of Public Health                           | Buprenorphine in Substance Use Disorder (SUD) Specialty Settings Versus Non-SUD Settings: Trial Emulation Using the Veterans Health Administration Data             |
| 4  | Maureen Walton, PhD, MPH    | Addiction Center, Department of Psychiatry, University of Michigan                                       | Development of a Mobile Health Intervention for Emerging Adults With Regular Cannabis Use: A Pilot Micro-Randomized Trial   |
| 5  | Drew Speer, DrPH            | Substance Use Priority Research, University of Kentucky  | A Cost Analysis of Peer Recovery Support Services: Addressing Critical Gaps in Opioid Use Disorder Treatment  |
| 6  | Theresa E. Matson, PhD, MPH | Kaiser Permanente Washington Health Research Institute   | Receipt of AUD Medications Among Primary Care Patients With an AUD Diagnosis in an Integrated Healthcare System With Routine Alcohol Screening and Assessment       |
| 7  | Andrew Breck, PhD           | Quantitative Sciences Department, Verily Life Sciences   | Social and Economic Impact of Comprehensive Treatment For Opioid Use Disorder   |
| 8  | Julie M. Donohue, PhD       | Department of Health Policy and Management, University of Pittsburgh School of Public Health             | Classifying Longitudinal Opioid Use Disorder Treatment Patterns Among Medicaid Enrollees Served by Centers of Excellence Using a Mixed Markov Model                 |
| 9  | Clarisa Wijaya, MA          | Center for Dissemination and Implementation Science, Northwestern University Feinberg School of Medicine | Short and Sweet!: A Mixed Method Analysis of Parent Feedback on a Technology-Assisted Parenting Intervention for Adolescents in Residential Substance Use Treatment |
| 10 | Rosanna Smart, PhD          | RAND Corporation   | Potency, Prices, and Product Variety in California's Licensed Cannabis Markets  |
| 11 | Lewei (Allison) Lin MD, MS  | Department of Psychiatry, University of Michigan Medical School and VA Ann Arbor Healthcare System       | Care Utilization Among Patients With Stimulant Use Disorder During COVID-19: A National Cohort Study of U.S. Veterans   |
| 12 | Sujaya Parthasarathy, PhD   | Division of Research, Kaiser Permanente  | A Cluster-randomized, Pragmatic Trial of Pharmacist-Delivered Primary Care Telemedicine Intervention for Alcohol Use Problems: Implementation Outcomes              |
| 13 | Amanda Harris               | Department of Epidemiology, University of North Carolina at Chapel Hill                                  | Accessibility of Prescription Drug Monitoring Program (PDMP) Data for Research  |
| 14 | Dhruv Khurana, PhD          | University of California, Los Angeles  | Detecting County and Regional Trends in Cannabis Use Disorder Prevalence Among Adult Medicaid Beneficiaries in California Using Claims Data                         |

|    |                              |  |   |
|----|------------------------------|--|---|
| 15 | Brittany Bass, PhD           | University of California Los Angeles   | Adult Use Cannabis Legalization, Cannabis Use Disorder Treatment, and Cannabis Use Disorder Treatment Outcomes in California, 2010-2020   |
| 16 | Minji Sohn, PhD              | Ferris State University College of Pharmacy  | Trends in Naloxone Dispensing From Retail Pharmacies in the United States During the COVID-19 Immediate Post-Emergency Period   |
| 17 | Mary Brolin                  | Institute for Behavioral Health, Heller School for Social Policy and Management, Brandeis University     | Insights on Implementation of the CCBHC Model for Integrated Care   |
| 18 | Elisabeth Okrant, PhD, MPH   | Institute for Behavioral Health, Brandeis University   | Response to Addiction Recovery (R2AR): Pilot and Feasibility of a Patient-Reported Outcome Measure of Recovery  |
| 19 | Cindy Parks Thomas PhD       | Heller School for Social Policy and Management, Brandeis University                                      | A Mixed Methods Study of Emergency Department Boarding of Patients With Substance Use Disorder  |
| 20 | Randi Proffitt, PhD          | Institute of Behavioral Research, Texas Christian University   | Building and Implementing a Mobile Health Unit (MHU) in Partnership With a County Hospital Health System  |
| 21 | Maureen T. Stewart, PhD      | Institute for Behavioral Health, The Heller School for Social Policy and Management, Brandeis University | Substance Use Treatment Services in Medicaid Managed Care Plans: Covered Services and Utilization Management Requirements   |
| 22 | Robert Bohler, MPH, MA, PhD  | Heller School for Social Policy and Management, Brandeis University                                      | Perceived Need for Treatment Among Adults With Alcohol and Cannabis Use Disorder: Implications for Closing the Treatment Gap  |
| 23 | Joseph D. Perez              | Department of Population Health Sciences, Weill Cornell Medicine   | Costing the Incorporation of Low-Barrier Treatment of Opioid Use Disorder at a Syringe Service Program  |
| 24 | Nicholas C. Jacobson, PhD    | Center for Technology and Behavioral Health, Geisel School of Medicine, Dartmouth College                | Using Passively Collected Sensor Data and Ecological Momentary Assessment With Deep Learning to Predict Non-Prescribed Opioid Use During Medication Treatment for Opioid Use Disorder |
| 25 | Stephen Orme, MA             | Health Economics Program, RTI International  | Cost of Abstinence-Contingent Wage Supplements for Adults Experiencing Homelessness and Alcohol Use Disorder  |
| 26 | Kayla N. Tormohlen, PhD, MPH | Department of Health Policy and Management, Johns Hopkins Bloomberg School of Public Health              | Association of State laws That Require Co-Prescribing Opioids and Naloxone With Co-Prescribing Practices  |
| 27 | Courtney D. Nordeck, PhD     | Friends Research Institute   | Treatment Retention Among Fentanyl-Exposed Patients: The Role of Patient Preferences for Fentanyl Over Other Opioids  |
| 28 | Megan S. Schuler, PhD        | RAND Corporation   | Characterizing Heterogeneity in Opioid Markets Across the U.S.: A Latent Class Analysis   |
| 29 | Rosalie Liccardo Pacula, PhD | University of Southern California Sol Price School of Public Policy                                      | Differential Impact of Policy Laws Given Local Markets  |
| 30 | Beth Ann Griffin, PhD        | RAND Corporation   | Association of State Policies and Trajectory of Buprenorphine Prescribers   |
| 31 | Ellerie Weber, PhD           | Department of Population Health Science and Policy, Icahn School of Medicine at Mount Sinai              | Economic Burden of Opioid Use Disorder Among Pregnant and Postpartum People   |
| 32 | Annie T. Chen, PhD           | University of Washington School of Medicine  | Leveraging Insights From Social Media to Develop Stigma Reduction Interventions   |
| 33 | Sonata Black                 | Department of Psychology, University of Connecticut  | Contingency Management for Exercise Changes Within-Person Longitudinal Associations Among Drug Use Severity, Quality of Life, and Exercise  |
| 34 | J. Travis Donahoe, PhD       | Department of Health Policy and Management, University of Pittsburgh                                     | Controlled Substances Enforcement and the Opioid Crisis   |

|    |                                     |  |   |
|----|-------------------------------------|--|---|
| 35 | Sierra Castedo de Martell, PhD, MPH | JEAP Initiative and Lighthouse Institute, Chestnut Health Systems  | Recovery Community Involvement in the Development of a Cost-Effectiveness Analysis and Calculator for Two Peer-Driven Interventions             |
| 36 | Taylor Hall, PhD                    | Bridgewater State University School of Social Work   | Incorporating Harm Reduction in Social Work Training and Practice: Challenges, Successes, and Ideas for Change at All Systems Levels            |
| 37 | Alicia Lucksted, PhD                | Department of Psychiatry, Division of Psychiatric Services Research, University of Maryland School of Medicine                 | Developing an Intervention to Enhance Stigma-Resistance Among People Using MOUD   |
| 38 | Erminia Fardone, PhD                | Department of Public Health Sciences, University of Miami Miller School of Medicine  | Examining Poor Response to Substance Use Disorder Treatment: A Scoping Review   |
| 39 | Dennis Watson, PhD                  | Chestnut Health Systems  | Results From the POINT Pragmatic Trial: Assessment of a Peer-Based Emergency Department Intervention for People Who Use Opioids                 |
| 40 | Jabed Al Faysal, MS                 | Department of Pharmaceutical Outcomes and Policy, University of Florida  | A Machine Learning Prediction of Buprenorphine Care Discontinuity Among Individuals With Opioid Use Disorder: Retrospective Observational Study |
| 41 | Mary Gray, PhD                      | Comagine Health  | Providers Experiences Implementing the Oregon Medicaid Back Pain Policy Over Time: A Longitudinal Qualitative Study                             |
| 42 | Philip J. Jeng, MS                  | Department of Population Health Sciences, Weill Cornell Medicine   | The Costs of Implementing and Sustaining an Opioid Use Disorder Collaborative Care Model in Primary Care Settings                               |
| 43 | Ruston Michael Koonce, PharmD       | Division of Pharmaceutical Evaluation and Policy, Department of Pharmacy Practice, University of Arkansas for Medical Sciences | The Association Between Suspected Long-COVID and Stimulant Prescribing in the United States   |
| 44 | Liz Friedman, MFA                   | GPS Group Peer Support LLC   | Addressing Burnout and Retention of Addiction Treatment Workers Utilizing Group Peer Support Training Model                                     |
