

TIME	ACTIVITY	LOCATION	TITLE	PRESENTER
DAY ONE: WEDNESDAY OCTOBER 16, 2024				
7:00 - 6:00	Registration desk open	Regency Foyer & Office		
8:30 - 10:00	Pre-Conference Workshops	Sea Cliff	NIH Grantsmanship Workshop	Laura Kwako, Carrie Mulford, Shelley Su, Lindsey Martin
		Pacific Heights	Opportunities and Challenges in Applying Digital Health Technology for Addiction Health Services Research	Alisa Busch, Katharine Bradley, Adam Gordon, Tingting Liu, Andrew Quanbeck
		Marina	Implementation Costing and Budget Impact Analysis: An Introduction and Application for Research and Practice	Bryan Garner, Andrea Eisman, Sean Murphy, Danielle Ryan
Presidio	Part I. Pragmatic Implementation Science: Five Key Components and One Logic Model to Enhance the Impact of Your Research	Heather Gotham, JD Smith		
10:00 - 10:30	Break			
10:30 - 12:00	Pre-Conference Workshops	Sea Cliff	Methodological Guidance for Conducting Expert Panels with the Delphi Method	Sean Grant, Rosanna Smart
		Pacific Heights	Leveraging Health Information Technologies to Advance Your Research	Babak Tofghi, Nari Yoo, Tyler Oesterle, Artin Perse, Farbod Fakhrizadeh
		Marina	Using Population Claims Data in Substance Use Research: Focus on the T-MSIS Analytic File	Yuhua Bao, Shashi Kapadia, Jake Morgan
		Presidio	Part II. Pragmatic Implementation Science: Tools You Can Use to Enhance the Impact of Your Research	Helene Chokron Garneau, Bryan Garner, Karen Seal, Lindsey Zimmerman
12:00 - 1:30	Lunch on your own			
1:30 - 3:00	Welcome, Awards, Plenary I	Grand Ballroom	Federal Perspectives on the Future of Addiction Care and Opportunities for Science to Advance Service Delivery	Tisha Wiley, Yngvild Olsen, Laura Kwako
3:00 - 3:15	Break			
Scientific Breakout Session I				
3:15 - 4:30	Rigorously Planning, Facilitating, and Evaluating Multi-Level Substance Use Service and Policy Implementation with the Stages of Implementation Completion. <i>Chair: Gracelyn Cruden</i>	Grand Ballroom	Exploring the Alignment Between ERIC Implementation Strategies and SIC Stages	Ekaterina Burduli
			Exploring Pathways of Implementation Strategy Participation and Fidelity in an Adaptive Implementation Trial	Jay Ford
			A Date-Driven Evaluation of Implementation Fidelity for Oregon's Substance Use Decriminalization Policy	Gracelyn Cruden
		Sea Cliff	Using the Stages of Implementation Completion* (SIC) as an Implementation Strategy in the Implementation of Adolescent Substance Use Practices	Lisa Saldana
			The Impact of COVID-19 on Methadone vs. Buprenorphine Receipt by Race/Ethnicity 2018-2022	Jessica Chen
			Clinician and Patient Perspectives on Reasons for Gender and Racialized Disparities in MOUD	Christine Sulc
	Big Data and Medications for Opioid Use Disorder	Pacific Heights	Representative VOICES in Veterans' Mental Health Treatment Disparity and Inequity Research	Melissa Barnes
			Factors Associated with Buprenorphine Prescribing by Addiction Specialists	Rachel Landis
			Comparative Effectiveness of Extended Release Naltrexone and Sublingual Buprenorphine for Treatment of Opioid Use Disorder Among Medicaid Patients	Rachael Ross
		Marina	Association of Daily Doses of Buprenorphine with Urgent Health Care Utilizations: The Influence of High Daily Doses	Sarah Axeen
			Buprenorphine Rotation in Patients with Long-term Use of Opioids	Pooja Lagisetty
			The Impact of Medicaid Expansion on Substance Use Disorder Treatment Admissions	Felipe Lozano-Rojas
Medicaid Policy Innovations and Impact	Telegraph Hill	Association of State Medicaid Prescription Cap Policies with Adherence Trajectories of Buprenorphine for Opioid Use Disorder	Patience Dow	
		Managed Care Compliance with Medicaid Regulations for Substance Use Disorder Medications	Christina Andrews	
		Effect of Section 1115 IMD Waivers on Equitable Access to Evidence-Based Residential Addiction Treatment	Tamara Beetham	
Issues in Alcohol Use Disorder	Presidio	Prescribing Practices Among Clinicians Treating Alcohol Use Disorder with Medication	Alene Kennedy-Hendricks	
		Do Alternative Payment Methods Incentivize Screening for Unhealthy Alcohol Use in Ambulatory Care Settings? Evidence from the National Ambulatory Medical Care Survey	SunJung Yoon	
		Ecological Momentary Assessment of AA Prescribed Behaviors and Change Mechanisms Among Early AA Affiliates over Three Months: One Day at a Time	Scott Tonigan	
Women's Health	Telegraph Hill	Factors Associated with Emergency Department Visits Related to Alcohol Use Disorder amid the COVID-19 Pandemic	Yesenia Perez	
		Perspectives on Acceptability and Delivery of Buprenorphine Among Both Women Who Use Drugs and Healthcare and Harm Reduction Professionals	Elizabeth Austin	
		"That's how I kept the pain, cover it in drugs": Women's Perspectives on Intimate Partner Violence's Influence on their Substance Use and Substance Use Disorder Recovery Journey	Shannon Ogden	
4:30 - 5:30	Reception & Poster Session I	Twin Peaks	Refer to Poster Presentation Schedule Tab	Megan Schuler
DAY TWO: THURSDAY OCTOBER 17, 2024				
7:00 - 5:30	Registration desk open	Regency Foyer & Office		
7:00 - 8:00	Breakfast	Gold Ballroom		
8:00 - 9:00	Plenary II	Grand Ballroom	Emerging Substances in the Illicit Drug Supply: Assessing the Fentanyl-Xylazine Threat	Jeanmarie Perrone
9:00 - 9:15	Break			
Scientific Breakout Session II				
9:15 - 10:30	Perspectives on Improving Access to Medications for Opioid Use Disorder in a Measurement Based Stepped Implementation Study. <i>Chair: Jay Ford</i>	Sea Cliff	A State Agency Perspective on Partnering with Research Institutions to Improve Addiction Health Services	Kim Mount
			Researcher Perspective on Improving Access to Medications for Opioid Use: RE-AIM Outcomes from a Multi-Site Adaptive Implementation Trial	Hannah Cheng
			Storytelling – A First Hand Experience Using Implementation Science to Improve Access to MOUD in an Indigenous Population	Anthony Battaglia
		Grand Ballroom	A Primary Care Perspective and Lessons Learned on Using Implementation Science to Improve Access to MOUD	Amran Ahmed
			Racial Disparities in Post-Overdose Naloxone Distribution Among Veterans with an Opioid or Stimulant Overdose	Elizabeth Oliva
			Racial Disparities in Buprenorphine Treatment for Opioid Use Disorder across VA Healthcare System	Natalia Van Doren
	Cascade of Care	Pacific Heights	Drug Use Discrimination and Racial Discrimination in the Management of Chronic Non-Cancer Pain in United States Primary Care Safety-Net Clinics	Alexis Cooke
			Integrating Nonpharmacologic Strategies for Pain with Inclusion, Respect, and Equity (INSPIRE): Developing a Blended Digital Intervention	Jason Satterfield
			The Cascade of Care for Commercially Insured Persons with Opioid Use Disorder (OUD) and Comorbid HIV and HCV Infections	Roman Ivasiy
		Marina	Effectiveness of Hospital Addiction Consult Services for Increasing Post-Discharge Medication for Opioid Use Disorder (MOUD) Treatment Initiation and Engagement: Findings from a Pragmatic Trial in 6 New York City Pu	Jennifer McNeely
			Treatment Retention and Completion in Addiction Health Services	Erick Guerrero
			High Prevalence of Opioid Use Disorder and Low Rates of Treatment for Virginia Medicaid Members With an Intensive Care Unit Stay	Sarah Marks
Harm Reduction	Telegraph Hill	Naloxone Availability in Retail Pharmacies Across the United States	Lori Ann Eldridge	
		Evaluation of a Mobile Addiction Services Model with Joint Provision of Clinical and Harm Reduction Services	Cynthia Tschampel	
		Crowdsourcing Real-Time Solutions: Combating Opioid Overdose With Infrared Spectroscopy	Elizabeth Znamierowski	
	Veterans Health & SUD Services	Identifying and Responding to Xylazine Emergence: Insights from Syringe Services Program Staff and Participants	William Eger	
		Implementation of Alcohol-Related Care in 3 Veterans Health Administration Liver Clinics: A Mixed-Methods Summative Evaluation	Emily Williams	
		Peer-Supported Mobile Health for Alcohol Use Problems in Primary Care: Preliminary Findings from the Stand Down Trial in Veterans	Daniel Blonigen	
Adolescent Health and Substance Use	Presidio	Improving Diagnosis-Based Quality Measures: An Application of Machine Learning to the Prediction of Substance Use Disorder Among VA Patients	Katherine Hoggatt	
		Prevalence of Tobacco, Alcohol, and Drug Misuse Among Women Veterans: A Systematic Review	Emma Brett	
		Understanding the Factors Associated with Riding with an Impaired Driver Among Adolescents in Driver Education	Steven Tran	
	Telegraph Hill	Digital Health Interventions for Youth in the Emergency Department Reporting Recent Binge Drinking And Aggression	Laura Seewald	
		Housing, Opportunities, Motivation, and Engagement (HOME) for Youth Experiencing Homelessness: Preliminary Findings on Substance Use Outcomes from a Randomized Trial	Jared Martin	
		Intergenerational Patterns of Substance Use: A Prospective Study of High-Risk Families	Maria Jose Luna	
10:30 - 10:45	Break			

TIME	ACTIVITY	LOCATION	TITLE	PRESENTER
	Scientific Breakout Session III			
10:45 - 12:00	Lessons Learned in Implementing a Cross-System Learning Health System Alliance. <i>Chair: Matthew Aalsma</i>	Pacific Heights	Examining Racial and Ethnic Disparities Along the Substance Use Disorder Care Cascade Among Youth Involved in the Juvenile Legal System	Tamika Zapotki
			Trends in Evidence-Based Substance Use Disorder Service Utilization by Youth Involved in the Legal System Before and After Implementation of a Learning Health System Alliance	Sumedha Gupta
			Impact of a Learning Health System Alliance on Collaboration Between the Juvenile Justice System and Community Mental Health Centers	Ally Dir
	Emerging Issues in Identifying Inequities in Substance Use Services. <i>Chair: Andrea Acevedo</i>	Sea Cliff	Learning Health System Alliance: Lessons Learned from Application of a Learning Health System to Cross-System Collaboration to Improve Substance Use Services in Legal and Treatment Settings	Matthew Aalsma
			Gender, Racial, and Ethnic Disparities in Alcohol Treatment across Settings: Compounding Impacts from Admission to Discharge	Erika Rosen
			Disparities in Treatment Completion for Substance Use Disorders Among Older Adults	Ivette Rodriguez Borja
	Implementing SUD Services in Primary Care Settings	Grand Ballroom	Behavioral Healthcare Service Use Among Adults With Criminal-Legal Involvement and Differences by Race and Ethnicity	Michael Flores
			Mental Health and Substance Use Services: Did Shifts to Telehealth during the COVID-19 Public Health Emergency Occur Equitably?	Andrea Acevedo
			Integrating Drug Use-Related Prevention and Treatment into Primary Care: A Cluster Randomized Implementation Trial	Julie Angerhofer Richards
	Evaluating Implementation Costs	Telegraph Hill	Collaborating to Heal Addiction and Mental Health in Primary Care (CHAMP): Outcomes from a Hybrid Type 2a Trial	Brittany Blanchard
Fixing the "RT" in SBIRT with Recovery Management Checkups: Assessing the Feasibility of RMC Implementation in Primary Care Settings			Dennis Watson	
How Should Primary Care and SSP Clinics Prepare to Provide Long-Acting Injectable Buprenorphine?			Andrea Jakubowski	
Telehealth & Telemedicine	Presidio	Economic Evaluation of Cost to Deliver and Participate in Implementation Strategies for Expanding Medications for Opioid Use Disorder	Todd Wagner	
		Economic Impact of Recovery Management for Substance Use Disorders (SUD) in Healthcare Settings: Societal Costs of Recovery Management Checkups For Primary Care (RMC-PC)	Kathryn McCollister	
		Cost Analysis of MOUD Implementation and Sustainability in Massachusetts Jails	Danielle Ryan	
Implementation Strategies and Outcomes	Marina	The Metrics of MAT: A Comprehensive Benefit-Cost Analysis Framework for Naloxone Distribution (Case of California)	Dhruv Khurana	
		The Role of Telemedicine in the Initiation of Medications for Alcohol Use Disorder	Haiden Huskamp	
		Alcohol Telemedicine Consultation in Primary Care: Impact on Naltrexone Prescribing and Referral to Specialty Care	Stacy Sterling	
		Telehealth Utilization and Buprenorphine Treatment Outcomes in Patients with Opioid Use Disorder: A Retrospective Study of Commercially Insured Individuals	Md Mahmudul Hasan	
Lunch and Networking	Gold Ballroom	Retention and Outcomes in Telehealth-Based Alcohol Use Disorder Treatment for Patients With and Without Anxiety or Depression	Molly Bowdring	
		A Comparison of 4 Multi-level Strategies to De-implement Opioid Prescribing in Primary Care: A Cluster Randomized Trial	Andrew Quanbeck	
		Impact of Quality Improvement Strategies on Implementation of Evidence-Based Practices in a National Sample of Substance Use Disorder and Mental Health Specialty Treatment Facilities	Jure Baloh	
		Using an Integrated REP-ECHO Approach to Disseminate a Hospital-Based Opioid Use Disorder Treatment Model in Texas	Alanna Boulton	
12:00 - 1:30	Lunch and Networking	Gold Ballroom		
1:30 - 2:30	Plenary III	Grand Ballroom	The Streets of San Francisco: Front Line Response to the Opioid Epidemic	Phillip O. Coffin, Dominique McDowell, Josette Rojo
2:30 - 2:45	Break			
	Scientific Breakout Session IV			
2:45 - 4:00	Zooming In and Out Over Time: Scaling System Dynamics Methods and Modeling to Meet Community Needs for Addiction Service Access and Continuity. <i>Chair: Lindsey Zimmerman</i>	Telegraph Hill	Zooming Out Then In: State and Local-Level Causal Loop Diagram Development to Inform Data Products for Policy Actions	Erika Crable
			Using System Dynamics Modeling to Support Local Action Planning in the NY HEALing Communities Study	David Lounsbury
			Participatory System Dynamics Simulation Use Cases and Modeling Themes from the Veterans Health Administration	Lindsey Zimmerman
	Racial and Ethnic Disparities	Presidio	System Dynamics of HEDIS Initiation and Engagement in Treatment (IET)	Lindsey Zimmerman
			National Trends in Racial and Ethnic Disparities in Medication for Opioid Use Disorder Treatment Among Medicaid Beneficiaries with Opioid Use Disorder, 2017-2019	Jennifer Miles
			Racial and Ethnic Differences in Dose of Opioid Agonist Treatment for Opioid Use Disorder across Pooled Clinical Trials Network Trials	Rachael Ross
	Trends in healthcare and social service access, and overdose deaths	Marina	Identifying and Addressing Trauma to Promote Racial Equity in Substance Use Disorder Treatment Outcomes	Natrina L. Johnson
			Improving Racial/Ethnic Health Equity and Naloxone Access Among People at Risk for Opioid Overdose: A Simulation Modeling Analysis of Community-Based Naloxone Distribution Strategies in Massachusetts	Zongbo Li
			Medication for Opioid Use Disorder Receipt and Opioid Overdose Among U.S. Medicaid Enrollees Newly Diagnosed with Opioid Use Disorder from 2016-2010	Stephen Crystal
	Coverage and Treatment of Alcohol and Opioid Use Disorder in Medicaid Managed Care. <i>Chair: Amanda Abraham</i>	Grand Ballroom	Trends in the Availability of Comprehensive Services within Outpatient Substance Use Treatment Facilities from 2018-2022	Zoe Lindenfeld
Synthetic Opioid Overdoses Deaths: Unveiling Geographic and Temporal Patterns in the United States from 2011 to 2021			Yuxin Zhao	
The Critical Role of Recovery Housing in the Drug Overdose Crisis			Amy Mericle	
Contingency Management	Pacific Heights	Changes in Diagnosis of Alcohol Use Disorder and Receipt of Medications for Alcohol Use Disorder in Medicaid Managed Care, 2016 to 2019	Amanda Abraham	
		Coverage of Medications for Opioid and Alcohol Use Disorder in Medicaid Managed Care Organization (MCO) Plans, 2015 to 2019	Melissa Westlake	
		Medicaid MCO Coverage of Alcohol Use Disorder Treatment: Does MCO Plan Generosity Predict AUD Diagnosis and Receipt of MAUD?	Miguel Antonio Estrada	
Implementation of MOUD Services	Sea Cliff	Medicaid MCO Service Coverage and Diagnosis and Treatment of Opioid Use Disorder: Evidence from Random Assignment in Kentucky Medicaid	Shelby Steuart	
		Training Addiction Professionals and Peers to Deliver Contingency Management Via A Coaching-to-Criterion Process: Results of a Non-Inferiority Analysis	Bryan Hartzler	
		Using Facilitation and Incentivization as Enhancement Strategies for CM Implementation: Results from a 28-Site Cluster-Randomized Type 3 Hybrid Trial	Bryan Garner	
4:00 - 4:15	Break	Spreading the Reach of Stimulant-Focused Contingency Management: Implementation in a Permanent Supportive Housing Setting	Michelle Peavy	
		Lessons Learned and Other Evaluation Results from the Recovery Incentives Program: California's Contingency Management Benefit	Darren Urada	
		Emergency Department Integration of Medications for Addiction Treatment (ED-IMAT): An Implementation Tool for Emergency Department Substance Use Disorder Treatment	Sarah Windels	
		Substance Use Treatment and Recovery Team (START) Addiction Consultation Service for Hospitalized People with Opioid Use Disorder: Multisite Randomized Controlled Trial	Allison Ober	
4:15 - 5:30	Innovations in Implementation Science	Pacific Heights	Differences in Implementation Quality for Medications for Opioid Use Disorder and Community Characteristics across Primary and Specialty Care Clinics	Berkeley Franz
			Medications for Opioid Use Disorder and Other Evidence-Based Service Offerings in Faith-Affiliated Treatment Centers: Implications for Implementation Partnership	Kim Gannon
	Pregnancy, Neonatal Care, and Reproductive Rights	Marina	Lessons Learned from a Group Telehealth Intervention for the Family Members of Individuals with an Opioid Use Disorder	Jennifer Manuel
			Rapid Needs Assessment to Understand Acceptability and Needed Implementation Supports for Video Directly-Observed Methadone Dosing	Judith Tsui
			Development of an Evidence-Based Implementation Strategy for an Opioid and Alcohol Co-Use Screening and Medication Safety Intervention in Community Pharmacy	Jerry Cochran
	Photovoice as a Model and Method for Community Engagement in Substance Use Disorder Prevention and Treatment Services. <i>Chair: Margaret McGladrey</i>	Telegraph Hill	What is the Potential "Implementability" of your Research Proposal or Existing Project?	Briana Patrick
			State Reproductive Rights and Medication for Pregnant Adults with Opioid Use	Joshua Aleksanyan
			The Implementation of State Policies Related to Plans of Safe Care and the Reporting of "Substance Exposed Newborns" to Child Welfare Agencies	Sachini Bandara
	Economic Evaluations of Substance Use Disorder Delivery Models	Sea Cliff	Neonatal Outcomes Among Pregnant Individuals with Co-Occurring Opioid and Methamphetamine Use Disorder in Utah	Casey Tak
Impact of Punitive Laws on Neonatal Abstinence Syndrome (NAS) Incidence During the COVID-19 Pandemic			Corey Hayes	
Recruitment and Engagement of People with Lived Opioid Experience and Service Providers Through Photovoice to Understand Local Factors Fueling and Stemming the Opioid Epidemic			Peter Balvanz	
4:15 - 5:30	Sea Cliff	Development of a Participatory Cross-Site Approach to Analyze HCS Photovoice Project Data	Margaret McGladrey	
		Learning and Acting on Community Strengths and Barriers to Address the Opioid Epidemic Using Photovoice with Residents Most Impacted by Opioid Use Disorder	Peter Balvanz	
		Sharing Photos and Stories to Encourage Action: Evaluation of Photovoice Events Displaying the Impact of the Opioid Epidemic on Communities	Ramona Olvera	
		Treatment Utilization and Receipt of Buprenorphine Following Telemedicine Expansion Among Medicaid Patients with Opioid Use Disorder	Melissa Davoust	
			Opportunities to Maximize State Funding Streams to Address Substance Use Disorder	Brent Gibbons
			Public, Private, and Out-of-Pocket U.S. Healthcare Expenditures on Substance and Alcohol Use by Types of Care from 2010 - 2019	Bulat Idrisov

TIME	ACTIVITY	LOCATION	TITLE	PRESENTER
	Effectively Treating Chronic Pain and Reducing Opioid Dose: Results from Three Randomized Trials. <i>Chair: Mark Edlund</i>	Grand Ballroom	Association of Private Equity Acquisition of Substance Use Disorder Treatment Facilities and Changes in Service Offerings and Types of Insurance Accepted	Susan Busch
			Effectiveness of Motivational Interviewing Plus Cognitive Behavioral Therapy Versus Shared Decision Making for Voluntary Opioid Tapering in Patients with Chronic Pain: The INSPIRE Randomized Pragmatic Trial	Lauren McCormack
			Comparative Effectiveness of Care Models to Improve Pain and Reduce Opioids Among VA Primary Care Patients on Long-Term Opioid Therapy: A Pragmatic Randomized Trial	Karen Seal
			Pragmatic Randomized Controlled Trial of Mindfulness-Based and Cognitive Behavioral Therapies for Opioid-Treated Chronic Low Back Pain: Improved Patient-Centered Outcomes and Reduced Opioid Dose	Aleksandra Zgierska
			Voluntary Opioid Tapering Among Individuals on High-Dose Opioids for Chronic Pain: Effectiveness of Motivational Interviewing Plus Cognitive Behavioral Therapy Versus Shared Decision Making	Mark Edlund
	Housing & Housing Insecurity	Presidio	The Impact of Emergency Rental Assistance on Substance Use Disorder Treatment: A National, Quasi-Experimental Study	Matthew Eisenberg
			Housing Security Among Individuals with Opioid Use Disorder in Rural New York State: A Qualitative Study of Community Coalition Members in the HEALing Communities Study	Nishita Dsouza
			The Social Environment, Helping, and Interpersonal Well-Being Among Sober Living House Residents	Meenakshi Subbaraman
			Crisis Response, Durable Lessons: Interventions at the Intersection of Homelessness and Substance Use During the COVID-19 Pandemic	Kelly Doran
DAY THREE: FRIDAY OCTOBER 18, 2024				
7:00 - 1:00	Registration desk open	Regency Foyer & Office		
7:00 - 8:00	Breakfast and Networking	Gold Ballroom		
8:00 - 9:00	Plenary IV	Grand Ballroom	Addiction Science Enters the Public Policy Arena	Keith Humphreys
9:00 - 9:30	Break and Networking			
Scientific Breakout Session VI				
9:30 - 10:45	Integrating Digital Substance Use Screening and Decision-Support Tools into Electronic Health Records: Lessons Learned and Directions for Implementation Science. <i>Chair: Aimee Campbell</i>	Grand Ballroom	Leveraging the EHR to Integrate Chronic Health and Substance Use Disorder Care: Landscape, Promise, and Challenges	Gavin Bart
			Implementing EHR-Integrated Screening for Substance Use in Primary Care: Approaches that Can Increase Feasibility and Effectiveness	Jennifer McNeely
			Preliminary Implementation Experience with an Opioid Use Disorder Decision Support Tool Integrated into the EHR	Gavin Bart
	Innovative Approaches to Reach Minoritized Populations	Sea Cliff	Integrating Machine Learning and Traditional Statistics for Identifying Groups Experiencing Inequities in SUD Treatment	Andrea Acevedo
			The Continued Usefulness of Social Media Recruitment for Surveys of Hidden Populations of People Who Use Opioids	Elizabeth Nesoff
			The Implementation Climate for Integrating Buprenorphine Prescribing into Rural Primary Care	Berkeley Franz
	Methods & Models	Telegraph Hill	Enhancing Access to Substance Use Disorder Services in Rural Pennsylvania: Findings from the Pennsylvania Rural Health Model	Samantha Augenbraun
			Simulating Strategies to Prevent Opioid Fatalities: Findings from a System Dynamics Model for the State of Connecticut	Turner Canty
			Intravenous Methamphetamine Use and PrEP Uptake Among a U.S. Sample of 29,880 Gender and Sexual Minorities, 2022-2023	Tyler Bartholomew
	Impact of Policies on SUD Outcomes	Marina	Leveraging Existing Data with Natural Language Processing (NLP) to Advance Cannabis Research for Improving Health of People with and Without HIV	Farah Kidwai-Khan
			Convening a Statewide Community Advisory Council to Identify New Strategies to Link People with HIV to Substance Use and Mental Health Services in Florida	Robert Cook
			Exploring the Role of Toxicology Testing in Take-Home Dosing Decisions within Opioid Treatment Programs: Insights from New York State Clinics	Sugy Choi
	Engaging Individuals with Co-Occurring Disorders in Collaborative Care: Results from Three Clinical Trials. <i>Chair: Katherine Watkins</i>	Pacific Heights	The Impact of Cannabis Laws on Cannabis Use Disorder in the Medicare Population	Jayani Jayawardhana
			Association Between State Cannabis Laws and Opioid Outcomes: A Systematic Review	David Fink
			Evaluation of California's Wellness & Recovery Program	Dhruv Khurana
Substance Use and the Criminal Justice System	Presidio	Engaging Patients with OUD and Co-Occurring Behavioral Health Conditions: Strategies, Opportunities, and Unique Challenges of the MICARE Encouragement Trial Approach	Lynn DeBar	
		Who Gets Collaborative Care? Initiation and Engagement in Collaborative Care for Co-Occurring Disorders	Katherine Watkins	
		Mixed Methods Assessment of Rates, Promising Strategies, and Needed Supports to Engage Patients with Co-Occurring Disorders in Collaborative Care: Experiences from the CHAMP National Trial	Elizabeth Austin	
10:45 - 12:00	Poster Session II and Closure	Twin Peaks	Enhancing MOUD Uptake in Correctional Facilities: A Comparative Analysis of Two Implementation Strategies: Coaching & ECHO	Todd Molfenter
			Medicaid Enrollment and Treatment Engagement After Prison Release: Evaluating the Role of Pre-Release Services for Individuals with Opioid Use Disorder	Peter Treitler
			The Impact of the Take-Home Methadone Policy on Access to Treatment and Opioid Overdose Outcomes Among People Released from Incarceration: An Interrupted Time Series Analysis	Benjamin Barsky
			Unpacking the Impact: Structural Racism, Youth Substance Use, and Paths to Policy Change	Marina Tolou-Shams
			Refer to Poster Presentation Schedule Tab	

TRACK	NUMBER	PRESENTER	TITLE	
DAY ONE: WEDNESDAY OCTOBER 16, 2024				
4:30 - 5:30 POSTER SESSION I, TWIN PEAKS				
Dissemination & Implementation Science	1	Blanche Wright	Policymaker Perspectives on Optimizing Federal Grants to Promote Reach of Evidence-based Substance Use Treatment Models	
	2	Brittany Blanchard	Harm Reduction Strategies for Primary Care Patients Who Use Stimulants and/or Opioids	
	3	Cheyenne Fenstermaker	Determinants of Implementation and Sustainability of Transitional Opioid Programs within Safety Net Hospitals	
	4	Helene Chokron Garneau	The Inventory of Factors Affecting Successful Implementation And Sustainment (IFASIS)	
	5	Jenny Becan	Impact of System Improvement Preparation on Multi-Agency Service Continuity and Collaboration	
	6	Julia Dickson-Gomez	Variability in Structure and Implementation of Three Law Enforcement Diversion Programs in Rural Wisconsin	
	7	Lindsey VonDras	Exploring a Peer Respite Crisis Stabilization Model for Individuals with Substance Use Disorder: An Evaluation of Missouri's Pilot Initiative	
	8	Logan Gillenwater	Overdose Fatality Review Team Member Attitudes towards Harm Reduction and Medications for Opioid Use Disorder	
	9	Mark Ilgen	A Randomized Controlled Trial of an Intervention to Improve Health Outcomes Among Medical-Surgical Patients with Hazardous Drinking	
	10	Morica Hutchison	Implementing a Text Messaging Intervention for Unhealthy Alcohol Use in Emergency Departments: Results of a Pilot Cluster-Randomized Implementation Trial	
	11	Praise Olatunde	A Social Network Analysis Evaluating the Impact of a Center Focused on Addiction Dissemination and Implementation Science	
	12	Ryan Kenneally	Using Implementation Strategies to Strengthen Organizational Molar Climate and Facilitate Evidence-Based Practice Use	
	13	Theresa Matson	The Difference-Making Role of Staff Support in Implementing Nurse Care Management for Opioid Use Disorder Treatment: A Configurational Analysis	
	14	Abigail Smurzynski	Physician Interactions Associated with Patient Motivation for Substance Use Disorder Treatment	
Health Disparities, Health Equity, & Racism	15	Alene Kennedy-Hendricks	Assessing Risk of Child Welfare System Involvement Among Families with Parental Substance Use	
	16	Allison Ju-Chen Hu	Distribution of Opioid Analgesics to Communities of Different Racial/Ethnic and Socioeconomic Profiles, 2011-2021	
	17	Ally Dir	Balancing Motivation for Treatment, Child Safety, and Recovery Stability: Perspectives from Parents Involved in the Child Welfare System, Child Welfare Personnel, and Substance Use Providers	
	18	Alyssa Halbisen	Variation in Access to AUD Treatment by Race/Ethnicity and Rurality in the United States	
	19	Judith Tsui	Barriers to Accessing Medications for Opioid Use Disorder Among Rural Adults	
	20	Bailey Osweiler	Insurance Risk Factors for Leaving Against Medical Advice After Hospitalization for Opioid Overdose: A Retrospective Cohort Study Using Electronic Health Records	
	21	Brendan Saloner	"It was a cold handoff" Reentry Care Experiences During the Implementation of A State Law Requiring OUD Treatment in Jails	
	22	Chinyere Reid	Improving Perinatal Opioid Use Disorder Identification Through Electronic Medical Records Utilization	
	23	Christine Grella	Adapting Recovery Management Checkups for Individuals with OUD and Criminal-Legal System Involvement in JCOIN	
	24	Danielle Fine	Outpatient-Based Opioid Treatment Engagement and Attendance Among Homeless-Experienced Adults	
	25	Dawn Goddard-Eckrich	Pharmacy Based Methadone Distribution: Exploring the Views of People Who Use Drugs to Inform Clinical Delivery Regulations and Protocols	
	26	Dawn Goddard-Eckrich	Enhancing Pharmacist-Patient Relationships for Individuals with Opioid Use Disorder: Perspectives from People with Who Use Drugs	
	27	Fernanda Rossi	The Association Between Alcohol Use Disorder and Lifetime Trauma Exposure Typologies Among Veterans	
	28	Jennifer Tsai	"Redlining" Treatment: Association Between Neighborhood Home Owners' Loan Corporation (HOLC) Grade and Presence of Mental Health and Opioid Treatment Programs	
	29	Diego Renteria	Perspectives of Substance Use Disorder Treatment Providers Regarding Substance Use Disorder Treatment for Transition-Age Adults Aged 18-25 Years	
	30	Allison Ju-Chen Hu	Organizational/Community Characteristics and Medication for Opioid Use Disorder Prescribers in Federally Qualified Health Centers	
	31	Mai Pho	Daily Assessment of Harm Reduction Service Use and Secondary Distribution in Rural Illinois	
	32	Mary Hatch	Expanding Overdose and HIV Prevention Services to a Black Neighborhood in Shelby County, TN in the Fentanyl Era: Strategies for Syringe Service Program Challenges	
	33	Mehrdad Khezri	Engagement in Hepatitis C Virus Cascade of Care and Factors Associated with Testing Among People Who Inject Drugs in Iran: A Nationwide Bio-Behavioral Survey in 2023	
	34	Monica Skewes	Indigenous Recovery Planning: A Culturally Grounded Intervention for American Indian People with Substance Use Disorder	
	35	Sachini Bandara	Access to Harm Reduction and Treatment Services Among People at Elevated Risk of Overdose: Findings from the VOICES Study	
	36	Shannon Ogden	Intimate Partner Violence and Drug- and Alcohol-Related Service Utilization Among Women Living with and without HIV	
	37	Sharon Reif	Understanding Alcohol Use, Risky Use, Addiction and Treatment in the U.S. by Disability Status	
	38	Thomas Blue	A Naturalistic Study of Individuals Involved in the Justice System Who Experienced Both Formulations of Extended-release Buprenorphine	
	39	Yachen Zhu	Trends and Disparities in Telehealth Use in the U.S. General Population and in Heavy Episodic Drinkers, 2020-2022	
	Healthcare Systems & System-Wide Interventions	40	Angela Shoulders	Opioid Use Disorder Diagnosis and Treatment in South Carolina's Medicaid Program
